2022 Heart of Gold Honorees

Louise Appleman & Ginny Tigie

The Heart of Gold Awards Luncheon wouldn't exist if not for the vision and passion of this year's honorees, Louise Appleman and Ginny Tigie. Ten years ago, these two incredible women saw an opportunity to bring together others who are passionate about the arts for an event which would support the arts at a greater level in Fort Worth- and the Heart of Gold Luncheon was born! Louise and Ginny are leaders whose impact continues to benefit Fort Worth in far-reaching ways.
