

Fort Worth Tourism Public Improvement District (FWTPID) Cultural Initiative Grant Guidelines

Grant Cycle 2022-23

Intent

The purpose of the FWTPID Cultural Initiative Grant is to provide marketing and promotional funding to arts and cultural organizations which promote and enhance the visibility of Fort Worth as an overnight destination to their patrons. Initiative can be a single event, season or annual calendar of events.

History & Objective

In August 2017, the City of Fort Worth authorized the Tourist Public Improvement District 18 (TPID), to enhance the visibility of Fort Worth as a convention and visitor destination and thereby increasing tourism-related economic activity. Benefiting directly from TPID activities, funding for the project is a 2% per guest room revenue assessment by all hotels in Fort Worth with 100 or more rooms. As part of the TPID efforts, the Tourism PID authorized a community arts grant program through Visit Fort Worth.

The FWTPID Grant is administered through Arts Fort Worth on behalf of Visit Fort Worth.
